Tuition Fees Refund Policy

Tuition Fees Refund Policy

For both existing and new students, the registration or re-registration deposit is non-refundable unless there are extenuating circumstances. Such circumstances may include, but are not limited to, evidence of family or student relocation to another country or emirate, or any other unforeseen situations.

Refund Calculation:

In the event of a refund, school fees will be calculated as follows:

- Tuition fees paid prior to the beginning of the academic year are refundable, with only the registration or re-registration fees deducted.
- If a student was enrolled for two weeks or less, one month's fees will be deducted.
- If a student was enrolled for a period between two weeks and one month, two months' fees will be deducted.
- If a student was enrolled for more than one month, the full term's fees will be deducted.

General Conditions:

- The refund policy is applicable per term, depending on the date of the withdrawal request.
- The refund amount will be calculated based on the start of the term and the date of the official withdrawal request submitted by the parent, not from the date the student was absent.
